# WEIRD AND WICKED WRITING FOR HALLOWEEN !

Spooky story sessions to develop oral and written language skills, using all the fun of our favorite scary holiday!

We will discuss, plan, write and act out our very own tales (terrifying or funny as we like), improving our communication competence, confidence and creativity along the way!

**Cost of the workshop: 200€**  
**9am-4pm, warm lunch included**

The workshop is open to English-speaking children over 5 years old who already have a basic understanding of reading and writing in English.
