

WALKING IN A MALHERBE WONDERLAND

WALKING IN A MALHERBE WONDERLAND

The whole school community was united in preparing the way for the arrival of Santa and his helpers... with several elves and other merry members of the Santa brigade making an appearance in the final weeks of term! Prior to the festive frenzy however, Much fun was had in celebrating other notable events such as Diwali, Thanksgiving and the Harvest festival! November and December also brought many birthdays and class events. With the exception of Year 6 who still have their outing to look forward to, all classes embarked on an adventure outside of the school grounds.

The Christmas Concert was an enormous success, with fantastic performances from all pupils from Pre-Primary to Middle School. The repertoire included songs and some spectacular sketches about the man of the moment, under the name of Père Noel, Kris Kringle and Santa Claus. The highlight was when all classes came together to perform 'Rockin' Around The Christmas Tree' and 'I Really Ho Ho Hope It's Santa Claus' using Makaton Sign Language. Several students and staff members were seen to be sporting cheery costume items like festive glasses and hats.
