## Our Holiday Camps

Perform in a show for parents! Improve public speaking skills & confidence, have fun in the holidays and learn from real actors! Students are placed in small classes of 8 - 14 children, separated by age in accordance with OFSTED guidance.

Camps are supervised by our small trusted team of British actors working in the performance industry & child care professionals. We are proud to be working with Malherbe International School to bring you our British Theatre Holiday camps.

Throughout the week, students will be working towards a theatre performance for parents whilst taking part in an exciting mix of arts and crafts, language and group games, sports and water games!

*Perform!*

Experience life on stage! Create a show and perform to an audience of parents in a professional production at the end of the course. Costumes and stage equipment is provided to ensure a quality experience of life on stage. Learn from real actors and get a recording of the shows as performance footage to kick-start their career.

*Grow in confidence*

Courses take place at Malherbe International School. Children will be split into small groups according to their age. All camps are prepared to meet sanitary regulations and aim to help children learn valuable social & communication skills for theatre or in regular life. Warm lunches provided at the school.

*Have Fun*

Performances - Each child will take part in a 20 minute show for parents with costumes, lights and scenery! But it's also the holidays! Younger children will have fun with water games, treasure hunts and sports in the afternoon.

Perfect for beginners!
